NEWS:

The Adventures of Don French.

Like most trips this summer, Trevor Bissell and myself lost a lot of days in the Whataroa Valley due to much rain, but ascents of Mts Arika and Loughnan were sneaked in. The latter being a 5th ascent.

I then made a quick crossing of the Copland Pass to Mount Cook. There, I joined up with Nigel Barlow to do a traverse of Mount Cook from the Hooker Valley to the Grand Plateau.

With Marty Sinclair (Chch), I returned to the Plateau to climb the South Face of Dixon, Syme Ridge of Mt Tasman traversing over Silberhorn, Graham, and Teichelmann. While exiting from the Plateau, the Anzacs were traversed.
