PAST EVENTS

Anzac Middle Crossing

There were ten names on the list so we divided into two parties, the A party under the leadership of 'Gun' Pearce and the B party under the guidance of 'Tim the Great'. We swapped cars, the A party headed for Mitre Flats and the B party made for Otaki Forks. The weather was not very good, especially on the tops.

A little below the summit of Mitre Peak two of the A party decided to return to Masterson as they were finding the pace a little fast. The remnants of the party continued on to Dorset Ridge Hut. Meanwhile the B party were grinding up onto Shoulder Knob where they eventually camped. Snow fall during the night made things uncomfortable and caused the retreat of the party on Saturday.

Saturday night saw the A party remnants at Nichols Hut and the sodden B party at Waitewaewae Hut. Reunion occurred at Waitewaewae on Sunday morning and after much driving and train trips all cars and people eventually reached home.

Those taking part were:- Lawson Pither, Brad Owen, Ross Meder, Kevin Pearce, Trevor Bissell, Tim Short, Glen Dixon, John Williams, Peter Croad, Kathy Hindmarsh.

19-20th APRIL MITRE HOLDSWORTH

An hour at Trevor and Mary Ann's engagement party, a drive to Holdsworth Lodge and a night tramp up to Powell Hut left one (or four) rather tired.

Saturday was no test of the parties navigation skill. On this cloudless day Holdsworth, Twinbo, Angle Knob, etc., etc.,..., Girdlestone passed beneath four pairs of boots and by 3.30 p.m. the party was happily installed in Dorset Ridge Hut.

Better navigation weather on Sunday necessitated the use of map and compass of the Girdlestone, Brocket and Mitre. The walk from Mitre Flats over Pinnacle Ridge to the Atiwhakatu stream required more map reading.

After that interlude the only real problem was the location of a good fish and chip shop.

Party:- Trevor Bissell, Robert Campbell, Peter Darragh and Mark Hindmarsh
